FUNDERMAX
DŘEVODEKOR
PRO INTERIÉR

Fundermax Interior je synonymem pro kvalitní výrobky, udržitelnost, inovace a svobodu designu.

Kromě klasických dřevin jako je dub, ořech, jasan a kaštan zahrnuje kolekce méně známé dřeviny jako třešeň, hrušeň, bříza a dokonce i eukalyptus.

Povrch: **FH** (Fine Hammered)

FH je univerzální, a proto patří k nejoblíbenějším povrchům. Vizually decentně splývá s okolím, je odolný a snadno se čistí.
